Kelly Davis
Student Case Competition:
Haley Janousek
- **Faculty Advisor:**
Sanjay Gupta

Meeting

VSU's IMA Student Chapter held its mid-semester meeting on October 23, 2012. Officers updated the chapter members on recent and upcoming events. Kelly Davis presented the proposed changes to the website. Haley Janousek announced the Student Case Competition solution is done and they are almost ready to start filming. Monica Page, Langdale College of Business's Career Strategies Coordinator provided information on resume writing, cover letter tips, professional attire, social media tips, and interview skills.

Make-A-Difference Day

On October 20, 2012, eleven students from VSU's IMA Student Chapter met at Second Harvest, which is the largest Hunger Relief organization in South Georgia, to participate in 'Make A Difference Day.' Volunteers were responsible for sorting through donations.

Second Harvest distributes around 14 million pounds of food annually. Their mission is to "end hunger in south Georgia; to create a means to easily and affordably access food for every person in South Georgia; to feed children and provide a safe environment for children to grow and learn."

CORE Ropes Course

Nine students from VSU's IMA Student Chapter attended VSU's CORE (Center for Outdoor Recreational Experiences) Ropes Course on Saturday, October 27, 2012. The group participated in the low ropes elements to promote team building skills. It consisted of obstacles where leadership and relying on the group as a whole was necessary. The ropes course provided excellent leadership training for our members while having lots of fun!
