On October 26, 2013, 9 of VSU's IMA student chapter members participated in the Second Harvest of South Georgia's Make-a Difference Day. These members helped clean the food bank's facility and sort through Second Harvest's food donations. This is the second year that VSU's IMA student chapter has participated in the community service event. Last year, Second Harvest distributed over 14 million pounds of food with their mission being to "end hunger in south Georgia".

CMA Awareness Meeting

The IMA student chapter held its second meeting of the semester on September 24, 2013. This meeting was aimed to inform the members of the Certified Management Accountant (CMA) exam. Guest speaker, Clarence Dean, Professor Relations Coordinator for Gleim, spoke to the chapter about the exam and strategies to successfully pass the 2 parts.

3rd Semester Meeting

On October 22, 2013, the IMA student chapter held its third chapter meeting of the semester. The chapter had the privilege of having two guest speakers at this meeting. Ms. Monica Page, Career Strategies Coordinator, gave a brief presentation on resumes and job interview dos and don'ts. Our second guests were members from our parent IMA professional chapter of Jacksonville, FL, consisting of Beverley Brooks, Jerry Roach and Keith Johnson.
