

WELLNESS

Make student mental and physical wellness a top priority of the Student Government Association and work alongside university leadership to implement initiatives that support the health and well-being of the student body.

REPRESENTATION

Appoint more students to university committees to ensure the student point of view is always provided and taken into consideration on all matters.

STUDENT EXPERIENCE

Encourage all students to fully immerse themselves in the VSU experience by joining organizations and cultivating a campus culture of Blazer pride.

BLAZER ALLOCATION AWARENESS

Further educate students on the allocation process, and create awareness of the resources that can be utilized by individuals and organizations.

We want you to know that we are here for you.
We recognize the unique opportunity we have and intend to
use it to the best of our ability as we navigate these difficult times.
