

Flint River!

Please, don't let them take over. This is one of our main rivers.

4 times for environmentalists by Pfauenauga "back to school... on and off" (2011) <https://www.flickr.com/photos/maikafer/6554843895/>

Pollution found at the end of the Flint river. (Above)...

Pollution flowing down the Flint river near Atlanta (right)...

POLLUTION

Pollution has to go!

To many factories are being built near the river, this is a major environmental problem. Many factories are dumping waste near the river.
