

The Association for  
Accountants and  
Financial Professionals  
in Business

## **Harley Langdale Jr. College of Business Administration Valdosta State University IMA Student Chapter**

### **Mission Statement**

To create a bridge between students and professionals through exposure to the management accounting profession, networking opportunities, attendance at professional meetings, and participation in community service activities.

### **Vision Statement**

To provide accounting and finance students the resources to develop networking strategies, expand professional job opportunities, promote community service, create ethical awareness, encourage the pursuit of professional certification, and gain access to various scholarships.
