Lead Story

On October 4, 2011, members from the IMA Jacksonville Chapter visited VSU to conduct new member orientation. Among the members present was President of the Jacksonville Chapter, Mr. Clive Ricketts. During the meeting, the VSU Student IMA Chapter was presented with the IMA Student Charter certificate.

Plant Tour

On October 28, 2011, students from the VSU IMA Student Chapter visited Lee Container in Homerville, GA. They were given a tour of the plant by the Purchasing Manager Ryan Daniels. During the tour, students were shown the manufacturing process for plastic containers.

in Homerville, GA. They primarily produce blow molded plastic containers for the agricultural industry. They have been in operation since 1989, after acquiring the plastics division from Bway Corporation.
